Hydro Quebec Makes Major Donation to Concordia University

MONTREAL/ April 10, 2007 - On Thursday, April 12, 2007, Hydro Quebec will announce a major donation to Concordia University's Faculty of Engineering and Computer Science. These funds will be used to create two Concordia University research chairs dedicated to issues of energy conservation and sustainable integrated building design and for student bursaries. Concordia is the only university in Canada with an engineering program dedicated to building design and operation that is focused on improving energy efficiency.
